3 REASONS TO BUY A TOWNHOUSE OR HOUSE IN ECODOLIE:

1 Prime Location

With minimal investment, you get a home in a low-rise village, "Ecodolie Sholokhovo" is located just 15 kilometers from Moscow.

2 Well-Developed Infrastructure

"Ecodolie Sholokhovo" is being built according to a unified plan. We are committed to completing all landscaping works, including creating walking areas, playgrounds, and children's zones. The village will soon feature its own kindergarten, school, and shopping center. Additionally, the settlement is just eight kilometers from Lobnya, allowing residents to enjoy the city's social and entertainment infrastructure.

3 Great Environmental Conditions

According to wind rose data, the settlement is free from harmful atmospheric emissions. The village is adjacent to a forest, the Klyazma Reservoir, and lakes. After construction, the banks of the Razderikha River will be transformed into a cozy park area for the residents of "Ecodolie Sholokhovo."
